- '01 events will be 501 with Open In/ Open Out format with a full 50 point bull's eye.
- Cricket events will be split 50/25 point bull's– eye.

**Team Caps** – There are no individual skill rating limits for singles events. The caps in the chart below have been established for the Regional Tournaments.

### Team Caps

Event	Team Maximum
Open Doubles Cricket	7.59 MPR
Open Doubles' 01	69.9 PPD
Mixed Triples Combo	10 MPR (no PPD cap)

## Player Eligibility/ Classification

### 1. All tournament players must:

- A. At least 18 years of age to comply with the regulations of local, state and federal laws in which they compete in leagues. **Please note, players must be 21 or older to play in Rising Sun due to the location requirements.**
- B. Be sanctioned by the NDA for the 2019-2020 sanctioning year. (Expires August 2020)
- C. Have played a minimum of 48 league games during the qualifying period for that tournament. (see page 3 for specific dates for each tournament.)
- D. Be entered in the tournament by the NDA Charter Holder on whose machine(s) they have completed the minimum game requirement for the tournament
- E. Have a NDA player-skill rating using the Points Per Dart (PPD) and/or Markers Per Round (MPR) performance rating system for the event in which they are entered, to be classified. These performance ratings require a player to compete in 24 games in a single season for that event. Minimum time to obtain player-skill rating is six (6) separate league nights in six (6) separate weeks in the same league season. Players who have played 48 league games but do not have a valid PPD or MPR will be classified in the highest level for all events.

# Player Eligibility/ Classification (cont.)

## 2. All Tournament teams must:

- A . Declare a full team roster, including substitutions, when entry certificates are completed.
- B. Must play for the same Charter Holder and form a tournament team meeting the above criteria.

**Violations of the above will void entries and be nonrefundable.**

In addition to meeting the eligibility requirements listed, players and Charter Holders must also comply with the following:

- **All players must be entered with their highest known player-skill rating, from league, for the qualifying period.** This is the responsibility of the Charter Holder. Accuracy of player abilities are dependent upon proper submission and documentation from the Charter Holder. All Charter Holders are bound by the Code Of Ethics of the NDA.
- **The highest known player-skill rating is determined** by taking the highest player –skill (PPD/MPR) rating from a league season for the qualifying period starting on January 1, 2019 and ending on the date specified in the chart below, as well as on page 3, including the current league season (remember this must be a minimum of 24 games per event, 48 total, in no less the six (6) weeks of league play in the same league season).

Qualifying Period	Rising Sun, IN	Omaha, NE	Milwaukee, WI
	January 1, 2019 thru September 6, 2019	January 1, 2019 thru October 11, 2019	January 1, 2019 thru November 8, 2019

## 3. Player ability assessment may be determined by the tournament committee by any of the following criteria:

- A. **Player-skill rating (as described previously).**
- B. **Review of previous NDA tournament performance, specifically Team Dart 2019**
- C. **Examination of overall local league ratings.**
- D. **Known ability.**

\*All decisions made by the Tournament Committee are final.

## 4. Team Sum Caps

- A. The following caps have been established for Regional Tournaments. Team skill sums must not exceed:

Event	
Open Doubles Cricket	7.59 MPR
Open Doubles' 01	69.9 PPD
Mixed Triples Combo	10 MPR (no PPD cap)

# Player Eligibility/ Classification (cont.)

5. **Standard league results are the only accepted statistics.** All recorded player-skill rating are achieved using the actual darts thrown. In addition, the following are standard formats for gameplay to calculate a player-skill rating.

'01	Cricket
Open in/Open out format	8 foot foul line
8 foot foul line	15 ½" target face
15 ½" target face	Split 50/25 point bull's eye
Full 50 point bull's eye	

Consistent tracking of player-skill rating for each is required. Submission of these ratings must show the cumulative accomplishments of each player.

6. **Double In/ Double Out Statistics:** Fairness and competitive brackets are very important to players. **Double In/Double Out (Master In/ Master Out) is not standard format for '01 qualification.** While DI/DO games can count towards the minimum 48 games requirement, statistics from these games CAN NOT BE USED to qualify players for '01 events. If a player has only DI/DO stats, they must be kept separate and the player must have at least 24 games of OI/OO skill ratings submitted.

- A. Do not use ANY statistics based on DI/DO games when registering for the tournament,
- B. All players in 01 must have played at least 24 '01 games in 6(six) separate weeks of OI/OO.
- C. If a player played DI/DO, those stats must be separate from OI/OO game. Only OI/OO stats should be submitted.
